

September 1, 2020

For over 75 years the community of Floresville has celebrated the importance the peanut crop had on the Southwest Texas Agriculture as well as honoring our community. Thousands flock each year, the second full weekend in October to join family and friends at this historic tradition. 2020 has brought many challenges not only in our community but to those around the world.

After thoughtful consideration, our Board of Directors have voted to postpone the 2020 Festival. However, as tradition stands, we will be crowning our Queen and presenting our 2020 Court of Avian Artistry in a private coronation to be held in October. On Saturday, October 10, 2020 we hope you will join us as we host a MINI PEANUT PARADE to showcase the royal attire from our newly elected court, bid farewell to our outgoing court and recognize other dignitaries and members in our community. Those participating in this limited parade will also be by invitation only. More information will be made available soon.

The great news is plans are under way for us to celebrate, please SAVE THE DATE, March 25-27, 2021. We look forward to the community joining us at our rescheduled festival in the spring. Our goal is to provide the same safe family friendly festival experience to our community and visitors near and far. More information will be coming soon on details highlighting this exciting weekend.

Scholarship fundraising efforts are underway and we hope you will consider supporting one of these events in the future. For more information, please visit our website at www.floresvillepeanutfestival.org or our Facebook page.

We sincerely thank each and every one of you for your continued support.

Blessings,
2020 Floresville Peanut Festival Association Board of Directors
